

Superb Wine

from the boutique wine region of

Gladstone in the Wairarapa Valley, New Zealand

Some say only ten percent of a good wine is in the winemaking, the rest depends on what happens amongst the vines.

The emphasis at Joseph Ryan is on meticulous vineyard management. This gives our winemakers the best possible grapes to work their magic on.

SAUVIGNON BLANC

Classic Wairarapa Sauvignon Blanc. Ripe gooseberries, fresh cut grass and asparagus complement tropical notes of passion fruit, pineapple and guava. Refreshing lime and grapefruit acidity balance moderate alcohol to create an easy sipping wine.

PINOT NOIR

Fresh fruit-forward style of new world Pinot Noirs. Ripe cherries, lifted perfume, seductive French oak, grippy tannins and a clean finish. Rewards with cellaring up to 5 years and very approachable now.

PINOT GRIS

Classic varietal characters of pear, rose perfume and honeysuckle combine with spicy ginger, apple and a mineral acidity to deliver a generous food wine.

VIIGNIER

Our limited release Viognier always captivates. Lifted spring flower perfume, nectarines, spicy ginger, apricot kernel and a generous oily texture make for a complex and delicious wine.
